We were very happy with our experience. We had 5 rooms painted, to cover up old-fashioned wallpaper, repair cracks, and re-do several doors. The project was scheduled and completed quickly. My husband says it was like a tornado came through and left us with a beautiful new look. The crew was well organized, worked hard, and got the whole job done in 3 days. I highly recommend working with Corr painting.

Hard working team providing great service and quality work. I had a tight deadline to get the work done, they stuck to the deadlines. I was working from home while they did the work, very respectful and trustworthy. Carlos is an honest guy who has a team that is as hardworking as he is. Highly recommend and very competitively priced.

We had our first floor walls and ceilings patched, skim coated, and painted, and wow! The team at Corr Painting did a tremendous job and I would highly recommend if you're looking! We live in a 20s bungalow and after living here for years, we noticed several bumps, scrapes and imperfections. The team arrived promptly each day and meticulously repaired and painted the walls and look brand new. We are very satisfied with the work done and for the teams knowledge and professionalism. Thank you!

We hired Corr Painting and Restoration to paint the exterior of our 1901 Victorian foursquare home in St. Paul. We are thrilled with the result. Carlos and his team were professional, punctual and treated our home with great respect. Our house is transformed and is a joy to behold. After interviewing many painting firms, Carlos and his team at Corr Painting and Restoration just felt like the right fit. We could not be happier or more satisfied that we hired them to paint our house. I would not hesitate to hire them again in the future.

Corr Painting & Restoration company finished painting and restoring the EXTERIOR of our 1926 home and two car garage, just last week! Company owner, Mr. Carlos & crew, won the bid for the painting contract over four other paint companies because of consistent five star review ratings, competitive pricing and the "Can Do" attitude. They addressed and solved expected "old house" issues quite well. The home's new look/transformation, speaks for itself as evidence of the Corr Painting crew being true professionals with attention to details, in the process of power washing, prepping, then giving the whole structure great quality painting. So, my family and I give Corr P&R... ..TWO THUMPS UP.. for a job well done !!!

If you are looking to have your home painted then Corr Painting is the way to go. They are professional, friendly, on-time, and they do a fantastic job. I had them paint the exterior of my home and not only did the work look great but they cleaned up and made it look like they were never even there. A+++

Carlos and his crew did a great job on our outside decks. They fixed rotted wood and did an excellent job. They were prompt, courteous and cleaned up everything after they were done. They did such a fabulous job that we hired them to paint and remove popcorn ceilings in 3 rooms. They stick to their original quote and use only quality paint. I highly recommend them!

Carlos (who runs and owns the business) was absolutely fantastic! Attentive, professional, detail-oriented. He used the highest quality paints, did an excellent clean up job afterwards, and the price was right! We would definitely use his company again for any of our painting/staining needs.
